| Options (Index Options) ⁴ | Premium Members: \$0.35 per contract Non-Premium Members: \$0.50 per contract |

Direct Index & Treasury Accounts:

Investment advisory services for Generated Assets Accounts, Direct Index Accounts, and Treasury Accounts (collectively, "Advisory Accounts") are provided by Public Advisors LLC ("Public Advisors"), an SEC-registered investment adviser. Public Advisors charges an annual advisory fee ("Management Fee") that is calculated as a percentage of the market value of your Advisory Account. This fee accrues daily and is deducted from your account on a monthly basis.

For **Generated Assets Accounts**, the annual Management Fee is 0.49%.

For **Direct Index Accounts**, the annual Management Fee is 0.19%.

¹ Regulatory agencies charge us fees for certain trades, which we pass onto you; see the [Regulatory Trading Fees](#) section below. If you are investing in stocks and ETFs as part of an Investing Plan, the fees described in the [Investment Plans](#) section below apply instead.

² Public Premium is a paid subscription service that gives you access to advanced data and insights, enhanced trading features, expanded portfolio management tools, and lower fees on certain trades. The Premium subscription fee waived for accounts over \$50,000; otherwise it is \$10 monthly and \$96 annually.

³ Receive a rebate of \$0.06-0.18 per stock or ETF options contract if you enroll in the Options Rebate Program. Rebate amount depends on the underlying security, whether the trade was placed via API, and your trading volume during the current and prior month. See full Program terms [here](#).

⁴ Exchanges also charge Public Investing fees for index options trading, which we pass on to you to help cover our costs. See exchange fees for index options [here](#).

For **Treasury Accounts**,⁵ different rates are applied to different portions of the Treasury Account's assets, as described below:

| Tier | Treasury Account Portfolio Value | Annual Management Fee ⁶ |
|------|---|------------------------------------|
| 1 | The first \$25,000 | 0.29% |
| 2 | The next \$75,000, up to \$100,000 | 0.24% |
| 3 | The next \$900,000, up to \$1,000,000 | 0.19% |
| 4 | The next \$4 million, up to \$5,000,000 | 0.14% |
| 5 | Assets over \$5,000,000 | 0.09% |

NOTE: Brokerage services for your Advisory Account are provided by Public Investing, an affiliate of Public Advisors. Public Advisors' Management Fee covers only the advisory services provided by Public Advisors. Public Investing charges certain fees for its brokerage services, including but not limited to [mark-ups for Treasury Bond transactions](#). All such brokerage fees: (1) are found in the rest of this Fee Schedule; (2) are separate and distinct from the Management Fee; and (3) shall be borne by the customer.

Margin Interest Rate:

The margin interest rates charged by Public Investing on Margin Accounts are as follows:

| Margin / Debit Balance | Margin Interest Rate ⁷ |
|---------------------------------|-----------------------------------|
| Up to \$50,000 | 5.15% |
| \$50,000 up to \$100,000 | 5.00% |
| \$100,000 up to \$1 million | 4.75% |
| \$1 million up to \$10 million | 4.50% |
| \$10 million up to \$50 million | 4.45% |
| \$50+ million | 4.20% |

Bonds:

| Ultrashort (0-1 Years) | \$0.100 |
| Short (1-3 Years) | \$0.250 |
| Medium (3-10 Years) | \$0.250 |
| Long (10+ Years) | \$0.250 |
| Corporate Bonds | |
| Ultrashort (0-1 Years) | \$0.350 |
| Short (1-3 Years) | \$0.500 |

⁵ If you are investing in Treasury Bills through your separate account with Jiko Securities, then the [Jiko Account section](#) of this Fee Schedule shall apply rather than any of the fees described in this section.

⁶ For example, a Treasury Account that holds up to \$25,000 in Treasuries and cash will be charged the Tier 1 fee. A Treasury Account with an aggregate value between \$25,001 and \$100,000 will be charged the Tier 1 fee on the first \$25,000 in assets and the Tier 2 fee on the balance of the assets. A Treasury Account with an aggregate value between \$100,001 and \$1 million will be charged the Tier 1 fee on the first \$25,000 in assets, the Tier 2 fee on the next \$75,000 in assets, and the Tier 3 fee on the balance of the assets. And so on.

⁷ The formulas used to calculate the margin interest rates above are subject to change at Public Investing's discretion. For details on the margin interest computations and charges, please see the "Margin Credit Terms & Policies" section of the [Margin Disclosure Statement](#).

⁸ If you are investing in US Treasury Bills through your separate treasury account with Jiko Securities, the fees in the [Jiko Account](#) section below apply rather than the fees in this section.
